PCI PLASTIC OPTICAL FIBER (POF) ADAPTER

Binghamton, NY – March 1, 2010 - Electronic Links International, Inc. today announces the introduction of a plug-and-play POF network adapter. The adapter provides high speed POF for desktop computers with PCI slots. The optical port has a transmission length of 100 meter with a data rate of 100 Mbps. They are offered with an SMI connector or a plug less connector. The POF cable used is 1.5 mm or 2.2 mm and the adapter is available with or without the bracket. The product is FCC and CE certified.

About Electronic Links International

Electronic Links International, Inc. develops standard and custom plastic optical fiber connectors, cable assemblies and other devices.
